What Is Behind “People Receiving Quality Health Services”? Measurement in the World Bank Group’s Health Results

Appendix A. Contributing results

Table A1. All 92 results contributing to the World Bank health total, with codes

Rank	Project	Country	Indicator (as published)	Factor	Method	Family	Achieved (m)
1	P175167	Ethiopia	People receiving quality health, nutrition, and population services	0.96	adjusted	aggregate	37.253
2	P180811	Indonesia	Number of annual outpatient visits, disaggregated by gender	0.292	unit	outpatient	29.374
3	P164696	Burkina Faso	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	21.343
4	P174352	Sudan	Percentage of priority population vaccinated based on the targets defined in national plan, disaggregated by gender.	4.57e+05	coverage	vaccination	15.995
5	P178775	Afghanistan	People receiving quality health, nutrition, and population services	1	direct	aggregate	15.152
6	P178252	India	Increased population-based screening for key NCDs	3.52e+05	coverage	ncd_screening	14.869
7	P152799	Türkiye	Direct project beneficiaries (number)	1	direct	aggregate	12.741
8	P174041	Uganda	Total number of people receiving quality health, nutrition and population services	0.89	adjusted	aggregate	12.510
9	P173825	Congo, Democratic Republic of	Percentage of population vaccinated, which is included in the priority population targets defined in national plan [by g	3.41e+05	coverage	vaccination	12.290
10	P173820	Kenya	Percentage of population fully vaccinated as targeted in national plan (by gender)	3.05e+05	coverage	vaccination	12.200
11	P173855	Rwanda	Percentage of the population fully vaccinated which is included in the priority population targets as defined in the nat	1.32e+05	coverage	vaccination	10.584
12	P167156	Nigeria	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	9.108
13	P176630	Angola	Percentage (%) of population vaccinated, which is included in the priority population targets defined in the national pl	1.77e+05	coverage	vaccination	8.708
14	P176570	Yemen, Republic of	People who have received essential health, nutrition, and population (HNP) services	0.77	adjusted	aggregate	8.197
15	P179550	Cote d'Ivoire	People receiving essential health, nutrition, and population services	1	direct	aggregate	7.093
16	P172504	Chad	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	6.456
17	P125229	Zimbabwe	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	5.906
18	P175884	Mozambique	Percentage of priority population fully vaccinated against COVID-19, based on the targets defined in national plan [disa	4.57e+04	coverage	vaccination	4.572
19	P159213	Guatemala	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	4.493

Rank	Project	Country	Indicator (as published)	Factor	Method	Family	Achieved (m)
20	P175884	Mozambique	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	4.030
21	P172426	Egypt, Arab Republic of	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	4.015
22	P176480	South Sudan	Percentage of eligible population fully vaccinated against COVID-19, based on the targets defined in national plan	4.8e+04	coverage	vaccination	3.997
23	P176956	Somalia, Federal Republic of	Percentage of population fully vaccinated, which is included in the priority population targets defined in the national	8.1e+04	coverage	vaccination	3.807
24	P176480	South Sudan	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	3.774
25	P174266	Togo	People who have received essential health, nutrition, and population (HNP) services	0.236	adjusted	aggregate	3.539
26	P164771	Malawi	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	3.401
27	P174903	Madagascar	Number of women using a modern contraceptive method	1	direct	rmnch_fp	2.771
28	P165253	Burundi	People who have received essential health, nutrition, and population (HNP) services	0.396	adjusted	aggregate	2.532
29	P164771	Malawi	Adolescent girls aged 10-19 who received iron-folate supplementation	1	direct	rmnch_fp	2.116
30	P167512	Haiti	People who have received essential health, nutrition, and population (HNP) services	1	direct	aggregate	2.024
31	P163954	Guinea-Bissau	People who have received essential health, nutrition, and population (HNP) services	0.68	adjusted	aggregate	1.848
